

Chernobyl My Love

Verse 1

*Prometheus builds a golden land
Where Stalingrad now Atomgrad
A broken mule for a GAZ Chaika!
A tangled hut for fine Pripyat!*

*Oh Pripyat!
On Pripyat!
Oh Pripyat!*

Verse 2

*Plethoretic to energetik
Devotees to great Hercules
and drop Romanov for Kurchatov
and drop Romanov for Kurchatov!*

*Oh Pripyat!
On Pripyat!
Oh Pripyat!*

Chorus

*Chernobyl my love
For thirty years /it's been our home,
our simple life / in the radon*

*Chernobyl my love
We nestle in / the shadows of
a stone Lenin / then Gorbachev*

Verse 3

Then you danced too close to Helios

*There spewed a fire from his great ire
30 gone and 4,000 burned
30 gone and 4,000 burned!*

*At Pripyat!
On Pripyat!
Oh Pripyat!*

Verse 4

*Carnivores and herbivores
like barosaurs and stegosaurs
Our geodyn with no hominine
A paradise for your sacrifice!*

*Of Pripyat!
On Pripyat!
Oh Pripyat*

Chorus

*Chernobyl my love
For thirty years /it's been our home
our simple life / in the radon*

*Chernobyl my love
We nestle in / the shadows of
a stone Lenin / then Gorbachev
a stone Lenin / then Gorbachev*
